MARKING GUIDELINE

**SEPTEMBER 2022** 

PREPARATORY EXAMINATION

# NATIONAL SENIOR CERTIFICATE

**GRADE 12** 

**MARKS: 150**

#### MARKING PRINCIPLES:

- 1. Penalties for foreign items are applied only if the candidate is not losing marks elsewhere in the question for that item. No double penalty applied.
- 2. Penalties for placement or poor presentation (e.g. details) are applied only if the candidate is earning marks on the figures for that item.
- 3. Full marks for correct answer. If answer incorrect, mark the workings provided.
- 4. If a pre-adjustment figure is shown as the final figure, award one mark. Not the method mark for the answer. Note: if figures are stipulated in memo for components of workings, these do not carry the method for final answer.
- 5. Unless otherwise indicated, the positive or negative effect of any figure must be considered to award the mark. If no + or sign or bracket is provided, assume that the figure is positive.
- 6. Where indicated, part-marks may be awarded to differentiate between differing qualities of answers from candidates.
- 7. This memorandum is not for public distribution, as certain items might imply incorrect treatment. The adjustments made are due to nuances in a certain question.
- 8. Where penalties are applied, the marks for that section of the question cannot be a final negative.
- 9. Where method marks are awarded for operation, the marker must inspect the reasonableness of the answer before awarding the mark.
- 10. Operation' means 'Check operation'. 'One part correct' means 'Operation & one part correct'. Note: check operation must be +,-,x,÷, or per candidates operation.
- In awarding method marks, ensure that candidates do not get full marks for any item that is incorrect, indicate with a . Note: do not award marks for workings if numerator and denominator are swapped-this also applies to ratios.
- 12. Be aware of candidates who provide valid alternatives beyond the marking guideline.
- 13. Codes: f=foreign item; p=placement.

This marking guideline consists of 10 pages.
