EXTRACT FROM REPORT OF THE INDEPENDENT AUDITORS

Basis for our opinion

The company's procurement policy states that purchases over R250 000 must be approved by the board of directors and supported by three quotations from independent suppliers.

During the year under review the company purchased two vehicles at a cost of R900 000. This was approved by the CEO without reference to the Board. Only one quotation was received.

Audit opinion

Because of the significance of this matter, we have not been able to obtain sufficient audit evidence to provide a basis for an opinion. Accordingly, we do not express an opinion on the financial statements of Zululand Ltd for the year ended 30 June 2022.
