ECONOMICS (PAPER 1)	GR12 0625	2

INSTRUCTIONS AND INFORMATION

1.   Answer FOUR questions as follows in the ANSWER BOOK:

        SECTION A: COMPULSORY
        SECTION B: Answer TWO of the three questions.
        SECTION C: Answer ONE of the two questions.

2.   Answer only the required number of questions. Answers in excess of the required number will NOT be marked.

3.   Number the answers correctly according to the numbering system used in this question paper.

4.   Write the question number above each answer.

5.   Read the questions carefully.

6.   Start EACH question on a NEW page.

7.   Leave 2 – 3 lines between subsections of questions.

8.   Answer the questions in full sentences and ensure that the format, content and context of your responses comply with the cognitive requirements of the questions.

9.   Use only black or blue ink.

10.   You may use a non-programmable pocket calculator.

11.   Write neatly and legibly.

SECTION C

Answer any ONE of the two questions in this section in the ANSWER BOOK.

Your answer will be assessed as follows:

STRUCTURE OF ESSAY	MARK ALLOCATION
Introduction The introduction is a lower-order response. • A good starting point would be to define the main concept related to the question topic. • Do NOT include any part of the question in the introduction. • Do NOT repeat any part of the introduction in the body. • Avoid mentioning in the introduction what you are going to discuss in the body.	Max. 2
Body **Main part:** Discuss in detail/In-depth discussion/Examine/Critically discuss/ Analyse/Compare/Evaluate/Distinguish/Differentiate/Explain/Draw a graph and explain/Use the graph given and explain/Complete the given graph/ Assess/Debate **A maximum of 8 marks may be allocated for headings/examples.**	Max. 26
Additional part: Critically discuss/Evaluate/Critically evaluate/Debate/ Deduce/Compare/Distinguish/Interpret/How?/Suggest **A maximum of 2 marks may be allocated for mere listing of facts.**	Max. 10
Conclusion Any higher-order conclusion should include: • A brief summary of what has been discussed without repeating facts already mentioned • Any opinion or value judgement on the facts discussed • Additional support information to strengthen the discussion/analysis • A contradictory viewpoint with motivation, if required • Recommendations	Max. 2
